Victoriaville (Québec) G6P 7E3
T 819 758-1541 | 1 800 567-2525
F 819-758-5800

We are looking for the ideal candidate to join our team for the position of:

Account Manager

Sani Marc Group, Food & Beverage Division

Tasks

Reporting to the Sales Manager, the Account Manager performs the following tasks:

- | Prepare a sales plan and establish objectives:
 - Develop strategic sales plan for each client based on client type
 - Prepare and deliver sales presentations on Sani Marc innovative products, equipment and services
 - Prepare an operational plan in order to optimize client's sanitation budget
- | Implement sales plan by soliciting potential customers to develop new business:
 - Evaluate and validate processes, procedures and operational efficiencies
 - Manage Sani Marc products and equipment
 - Recommend new procedures (if required) to improve operational efficiencies
 - Communicate effectively with all levels of plant staff; build strong business relationships and networks
- | Build a solid understanding of Sani Marc products, plant sanitation operations, customer business objectives, and applicable government regulations.
- | Provide industry expertise to customers in terms of sanitation and food safety that impact product quality and operations.
- | Prepare and perform training to employees.
- | Develop and install Sani Marc's proprietary CEPS programs:
 - Train and provide support to CEPS program users
- | Report to immediate supervisor all strategic information or issues and all unusual requests not in accordance with established procedure.

Requirements

- | Completed high school diploma or equivalent
- | BS/BA degree in food or agricultural science or any other relevant training and/or experience (recommended)
- | Experience in food and beverage manufacturing environment AND/OR selling into food manufacturing environments in technical sales
- | Mechanical aptitude and problem solving skills enabling you to install, troubleshoot and repair equipment and dispensing systems
- | Valid driver's license and acceptable motor vehicle record
- | Ability to work with Microsoft Office suite and other software based on the Windows environment
- | Willingness and ability to work varying hours
- | Willingness and ability to travel throughout a geographic territory
- | Ability to take initiative, work independently and be accountable
- | Strong follow-through and organizational skills
